## Zıtlıkların yarattığı çekicilik *Charm of contrast*

Monochrome Magic, siyah ve beyazın tasarım gücünü zıt bir çekicilikle sunuyor. Örgüye benzer yapıya sahip dekor karoların eşit ölçülerde kare formunda döşenmesi sonucunda 3 boyutlu küpler oluşuyor. Işığın gelişine göre değişkenlik gösteren, sonsuz sayıdaki yansımalar ve değişik efektlerle duvarlarda mükemmel bir görünüm sağlıyor. Her bir yaşam alanına görsel bir genişlik katan seri, duş alanları için de çok ideal: 120cm uzunluğu sayesinde modern duş alanlarının tüm genişliğini tek bir karo ile kaplama fırsatı sunuyor.

*Monochrome Magic is a clear style statement in black and white that plays with the fact that opposites attract. The structure of the décor tiles resembles a braiding pattern that forms squares of equal sizes resulting in a three-dimensional cube structure. Depending on the way the light falls, a never-ending number of reflections and interesting effects create a lively image on the wall. Collection gives every room an additional visual breadth and are ideal for tiling shower areas: thanks to the length of 120 cm, it takes just one tile to cover the entire width of a modern shower, resulting in fewer joints on the walls.*
